

Do you know the secret password? If so, welcome to Club Ritz where consuming tasty beverages and gambling are not only allowed but celebrated...just don't tell the authorities!

The club's big boss, Manny Fingers, will greet his Guests and make sure "no coppers" have found the location of tonight's underground casino. While Manny keeps his eyes on the door and the chips, his glittering girlfriend, Bette Allin, mingles between the classy tables, dressed with fringed lamps, canvassing the crowd for the next "big spender."

The energy in the room is high as Bette and Manny make sure the roulette wheels are spinning, the dice are rolling, and the cards are shuffled! Tonight the atmosphere is all fun and games without a care in the world...that is unless the "coppers" show up!

## ENHANCEMENTS

### Flappers

Ready for any party where the gamblers are rolling, these fashionable young ladies were chic and perhaps a little bit scandalous in their time. Dressed to the nines, they complete the sleek look of

the Club Ritz.

### Club Bouncers

Manny Fingers has a staff to take care of the "riff raff" that may try to make their way into the club. They also look out for the authorities who may try to close the party down. Comically inept, these

bouncers never really get around to bouncing anyone or anything!

### Policemen

During prohibition, the police had their hands full trying to close down illegal gin joints that catered to party crazed gamblers. If you include them as a part of your event, it adds a fun dimension as they

can direct traffic on the way into the club and then eventually raid the club when it's time for the party to end.

### Cigar Girls

In days gone by these beautiful ladies would roam the party to supply the Guests with cigars or cigarettes. Today they can be used to distribute any items you'd like to give your Guests. \*Give away not included.

### Cigar Rollers

Eager to roll you a fine stogie, these craftsmen add just the right touch to the party, giving away hand-rolled cigars to those with discerning taste.

### Print On-Location Effects Studio (2 hours)

Your guests will have fun posing in our effects portrait studio! Choose from Disney backgrounds or a custom design with your company logo.

Package includes professional soft umbrella lights, canvas backdrop and 5x7 prints in framed folders. For the best flow we recommend one studio per 100 attendees.

\*Costumes and props are not part of this package.
