

Imagine the fun of playing in the world of Pixar – a world of animated stories and outrageous characters – a world of color and humor and fanciful delight. Well, in this Pixar Bash, that is just the world you and your Guests will be immersed within.

Stepping through the entrance way of your ballroom, you find yourselves surrounded by the stories of Pixar. In each corner a different movie scene stands, complete with backdrop, props, and characters ready to meet and greet your Guests. Whether you want Andy's Room from Toy Story or the Incredibles Skyline, the doors to Monsters, Inc. or the balloon scene from Up, we can create any number of Pixar settings to suit your needs.

Of course, there's a Disney DJ in place, playing Pixar favorites or any other tunes your attendees might enjoy. No matter what the music or the particular Pixar scenes and characters you choose, your Guests will be enthralled with this Pixar Party!
