

## THEMED EVENTS | SPECTRUM OF COLOR

Welcome to an evening that celebrates the wonder of transformation! A night where all that sparkles silver and white will soon burst with a spectrum of color!

As you and your Guests enter the ballroom, you enter an elegant world of silver and white. A soft silver curtain hangs behind the stage, beautifully reflecting colorful light. This spectacular theme is repeated in the illuminated tables, chairs, buffets, and staff, creating a foil for the colorful transformation to come.

While you take your seats for dinner, music fills the air and, as the evening progresses, so does the color of the room. Through the magic of the glow tables and other dramatic lighting, the room transforms from silver and white into a world of color as the entertainment takes the stage. From the spectacles of cube spinning and fire juggling to the power of acrobatic balance, a splash of color accompanies each performance act. By the time you reach the grand finale of the evening, the room is layered with the shades of a vivid rainbow, thrilling the eye with a vibrant palate.
